Are you a member of any other Dragon Boat team? If so, which one(s)? _____

In becoming a member of Lake County Dragon Boat Club, Inc. (the "Club"), I agree to abide by the bylaws of the Club, the decisions of the Directors and officers of the Club (hereinafter the "Management of the Club"), and the decisions made by the dragon boat racing team with which I will train (the "Team"). The Team and the Management of the Club reserve the right to refuse renewal of or to terminate membership, without refund of any dues paid by the individual, of any individual whose presence either the Team or the Management of the Club deems disruptive to the team or whose actions are contrary to the purposes and mission of the Club. All decisions of the Management of the Club or the Team to terminate or not to renew the membership of any individual shall be final.

Membership provides the benefits of training, but participation in races is a privilege granted by the coaches and captains based on ability, strength, and other criteria as they see fit. All decisions made by the coaches and captains as to participation in races shall be final.

Each member of the Club must sign a waiver and release, on a form provided by the Club, before the member will be allowed to participate in any activity or event of the Club, including without limitation any and all training and educational activities provided by the Club.
